A discussion was held by Olive Richard, 2nd Assistant Chief. Ms. Richard stated that, over the past five years, the department increased training opportunities, obtained additional firefighter certifications and enhanced water shuttle capabilities through the donation of a 3,000-gallon tanker from the Lafayette Fire Department. As a result of these improvements, the department’s rating increased from a Class 4 score of 65 to a score of 78, placing it two points away from achieving a Class 2 rating. They advised that the new rating would become effective July 1, 2026, and encouraged residents to contact their insurance providers regarding any potential premium reductions. They thanked the Police Jury for its support.
